ANTALESS VISUAL DESIGN

BOOSTING THE IMAGINATION

Each of our projects challenges the intellect and the emotions, triggers the spatial perception of the viewer, offering a unique and unrepeatabe multisensory experience.

**EMPOWERING
THE IMAGINATION**

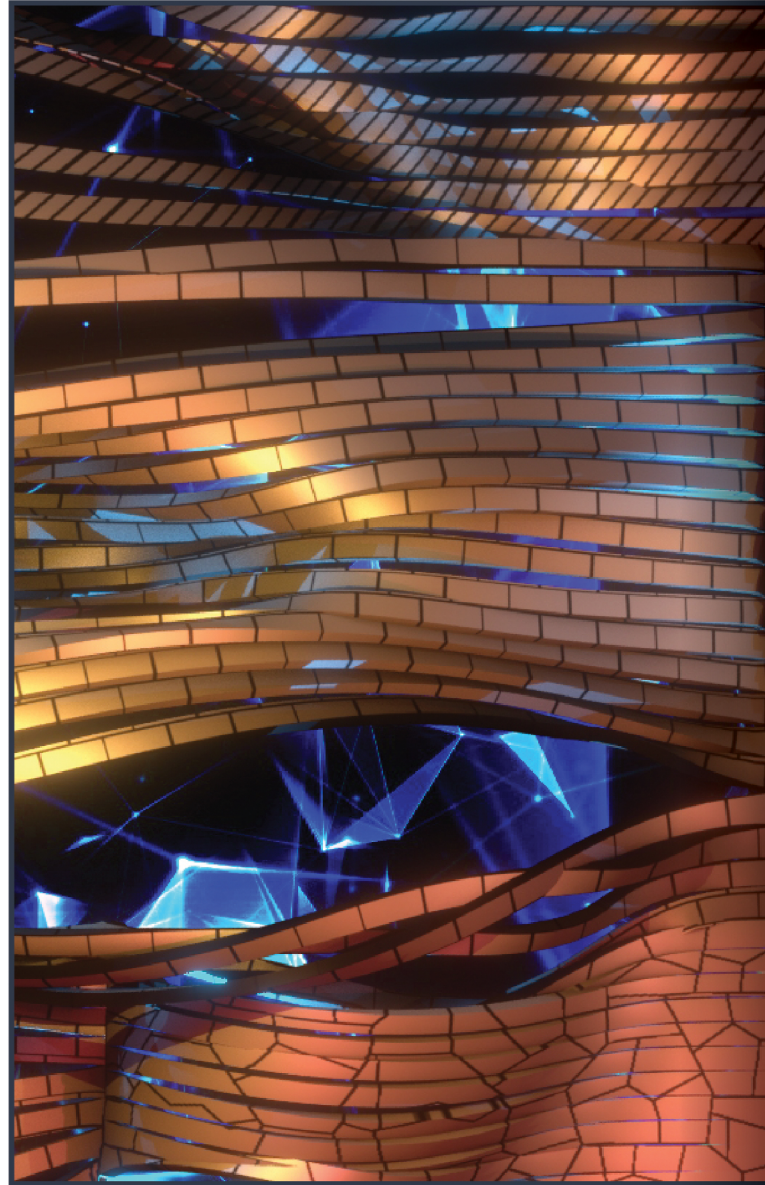

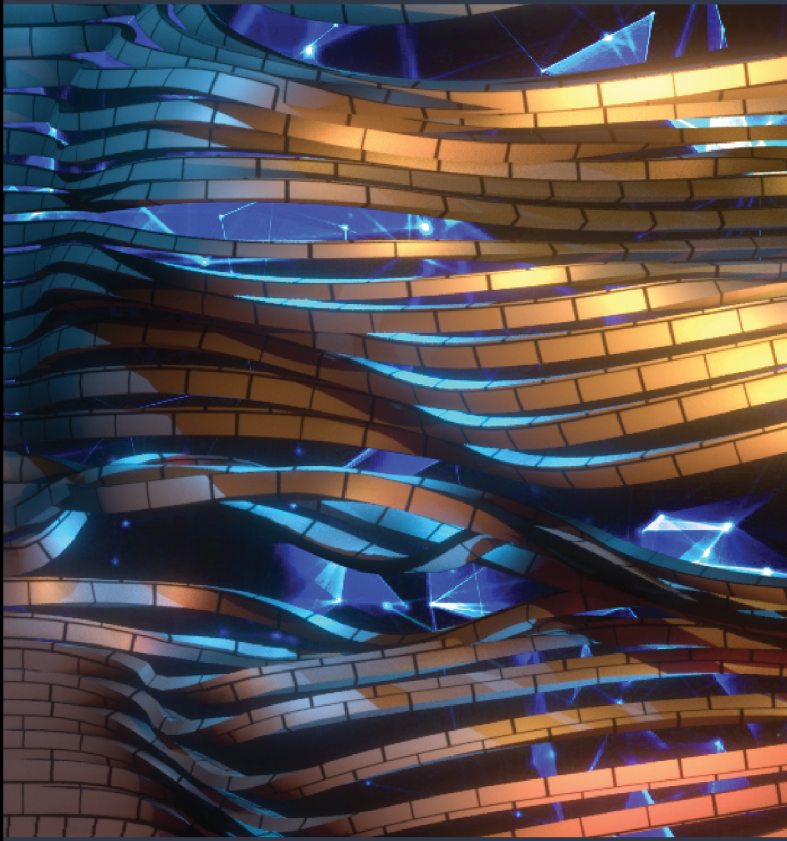

ABOUT US

Antaless Visual Design is a creative studio that operates internationally in the production of 3D and 2D video-mapping, multimedia shows, festivals, cultural and institutional events.

SERVICE

**PROJECTION MAPPING
LIGHTING INSTALLATION
2D/3D CONTENT CREATION
EXPERIMENTATION**

UNIQUE MULTISENSORY EXPERIENCE

We constantly test and implement new and different techniques and technologies, for more engaging shows and interactions. We offer companies, public and private, an opportunity for promotion, entertainment, connection and involvement of their public, tailor-made and unmatched.

PROJECTION MAPPING

We specialize in creating large impact 2D/3D contents and visuals for Projection Mapping, Shows, Festival, Commercial and Institutional events, Theatre sets.

LIGHTING INSTALLATION

We encourage the idea of innovation in lighting, designing and consulting according to any project's needs, from commercial to institutional. We use modern and advanced methodologies to satisfy your requests better.

2D/3D CONTENT CREATION

Our high quality 3d rendering techniques combined with a strong passion for animation give life to products with a very high finish that faithfully respond to your needs.

EXPERIMENTATION

Through an immersive and engaging experience we bring your audience into magnificent and imaginary worlds that impress those who visit them for the first time.

**OUR JOB IS NOT TO
GIVE OUR CUSTOMERS
WHAT THEY WANT,
BUT WHAT THEY HAVE
NEVER DREAMED OF**
